

Contact PoliteMail Support

Last Modified on 10/27/2022 9:20 am EDT

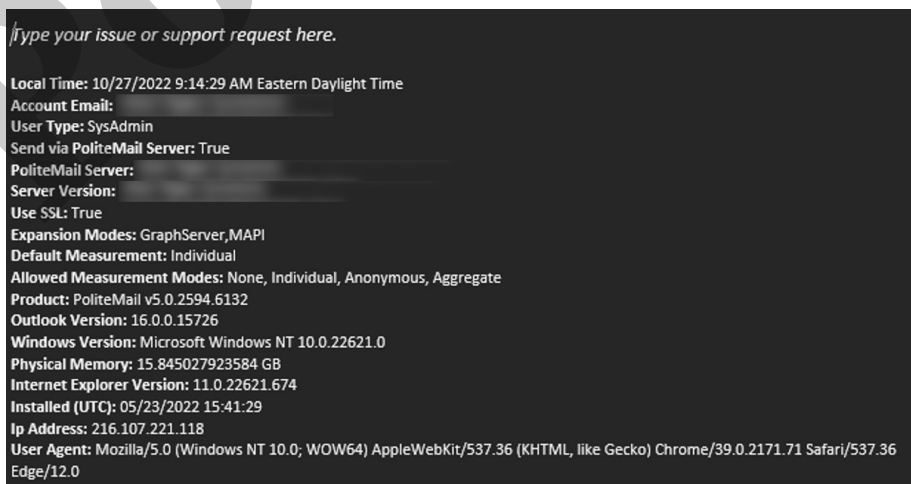

If you are experiencing technical issues with your PoliteMail account, please reach out to our technical support team.

In your main PoliteMail tab, click on the **Request Support** icon.

This will generate an email with your account information and an error log for our technical support team to use in troubleshooting the issue. Enter a brief synopsis of the issue you are experiencing and screenshots if applicable.

Once you send the message, a case will be created for your support request and our support team will respond.

You can also reach out to our support team at serversupport@politemail.com, or call Toll-Free: 866 488-9768 ext. 3
