

# Errors When Adding Multiple Accounts

Last Modified on 08/11/2022 11:17 am EDT

Applies To:  PoliteMail Desktop  PoliteMail Online  PoliteMail O365

---

Version:  4.94  4.97  5.0+

---

Microsoft Outlook allows you to add multiple Microsoft Exchange accounts to the same profile. This may cause some errors and unexpected behavior. Please visit [this Microsoft article](#) for an explanation of these errors.
