

# How do I assign multiple emails to a campaign?

Last Modified on 09/09/2022 4:35 pm EDT

Applies To:  PoliteMail Desktop  PoliteMail Online  PoliteMail O365

Version:  4.94  4.97  5.0+

1. Go to **Results** > **Messages**.
2. Click on the messages you want included in a Campaign.
3. After the messages are highlighted, click on **Actions** > **Add to Campaign**
