

Errors When Adding Multiple Accounts

Last Modified on 10/22/2025 11:16 am EDT

Applies To:  PoliteMail Desktop  PoliteMail Online  PoliteMail M365

Version:  4.9  5.0  5.1+

Microsoft Outlook allows you to add multiple Microsoft Exchange accounts to the same profile. This may cause some errors and unexpected behavior. Please visit [this link](#) for an explanation of these errors.
