How do I turn Opt-Out on or off?

Last Modified on 10/01/2026 4:25 pm EDT

Applies To: New PoliteMail Legacy PoliteMail

Version: 4.9+ 5.0+

Version 5.0: Changing this can be found under **POLITEMAIL > Account > Subscription**.

Version 4.9+: You can use the opt-out feature either for an individual email using the drop-down on the PoliteMail button, or you can have it set so every time you email through PoliteMail it has Opt-Out. You can change this by going to **PoliteMail** > **Settings** > **Preferences**.
