How do I find my PoliteMail logs?

Last Modified on 10/01/2026 4:29 pm EDT

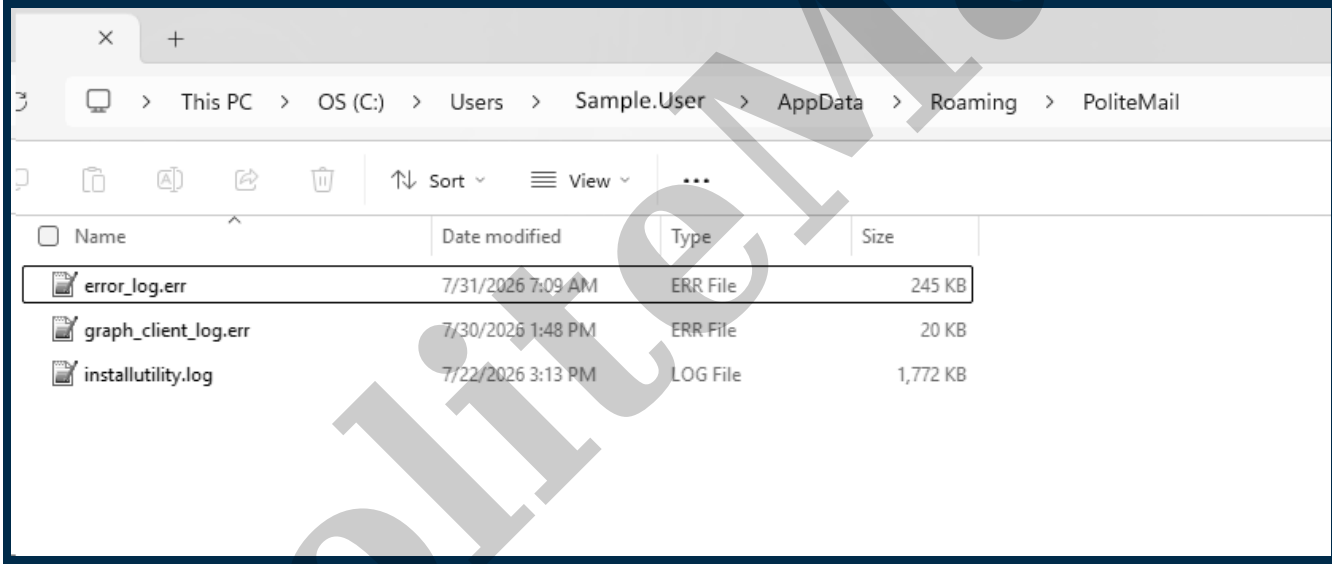

Applies To: ☐ New PoliteMail ■ Legacy PoliteMail

Version: ■ 4.9+ ■ 5.0+

If support requests logs for the COM add-in, the logs can be found in %appdata%/PoliteMail.

We would need the following logs:

- error_log.err
- graph_client_log.err
